

Jason Rodriguez

Web Developer/Graphic Designer seeking entry-level position with opportunity for advancement.

Work Experience

Web Developer/Graphic Designer, Habitat for Humanity

Spring 2010 to present, Saint Albans, VT

www.franklingrandislehfh.org or .net

Volunteer based work. Designed and developed web site in XHTML to provide information for volunteers. Through the use of google analytics, I am able to determine the most important information to make the web site more accessible. Also advertise for Habitat Re-Center which resulted in net increase sales in 2010. Currently involved in overhauling Re-Center to maximize sales in 2011.

Freelance Web Developer, Spyder Web Solutions

Fall 2008 to present, Saint Albans, VT

www.spyderwebsolutions.net

Manage promotional web site for personal work, including logo design, graphics and coding.

Web Developer/Designer, Reliable Envelope & Graphics

Fall 2007 to present, Elmwood Park, New Jersey

www.reliableenvelope.com

Re-designed web site to provide a more welcome look and feel. Simplified navigation for ease of use. Currently maintain web site and update to address trends in site use, integrate new technology and reflect the changing corporate culture.

Self-Employed, Jason Rodriguez Carpentry

2009- to present

Work in all phases of carpentry.

Sears Roebuck, Consultant

2005-2006, Burlington, Vermont

Transferred to Sears in the University Mall as a tool consultant.

Sears Roebuck, Consultant

2002-2004, Rockaway, New Jersey

Started as a cashier in 2004. After several months advanced to tool consultant. In 2005, advanced into commission sales in the plumbing department.
